

CABINETMAKERS: A SPECIALIZED WORKSHOP

20 20
TECHNOLOGIES

blum
Perfecting motion

HOMAG
CANADA

TUESDAY, MAY 8

In three hours cabinetmakers will take away ideas they can use to increase sales, reduce costs, modernize production and manage their business better for success.

1. Pick the morning or afternoon session
2. Watch the next generation equipment interface with production software
3. Hear about the latest trends in cabinet hardware applications
4. See software solutions specialized for cabinetmakers
5. Learn about a cabinetmakers association dedicated to small and medium business
