3. or send an email to the responsible company

⇒ support through qualified service staff

**Advantages for you as a customer of the HOMAG Group:**

- ✓ simple and quick contact
- ✓ the right service contact – for each product
- ✓ qualified service support
- ✓ phone call and email function
- ✓ identification of products

# HOMAG Group ServiceApp

This is the way you can quite simply reach the right service department:

Download ServiceApp  
in the App Store or  
Google play Store!

Scan QR code fixed  
on the machine control

Machine data retrieval  
through central  
HOMAG Group server

Select specialized  
service department  
and call or send  
an email to the  
responsible company

## How the right QR code can be put on the HOMAG Group machine

The machines in the future will be  
directly equipped with the QR code  
fixed on the machine control in order  
to guarantee direct contacting

For machines of the HOMAG Group  
which do you already have you can  
subsequently generate a QR code on  
the HOMAG Group homepage and  
fix it by yourself on the machine

- ⇒ Go to:  
**[www.homag-group.com/qr](http://www.homag-group.com/qr)**
- ⇒ **QR-Code**
- ⇒ Insert your **10 digit machine number**
- ⇒ **Print code** and fix it on  
the machine control
