HOMAG Canada Plexi-Mold Event

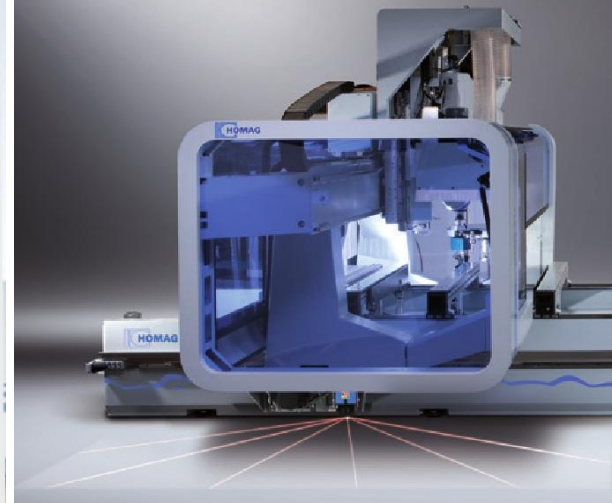

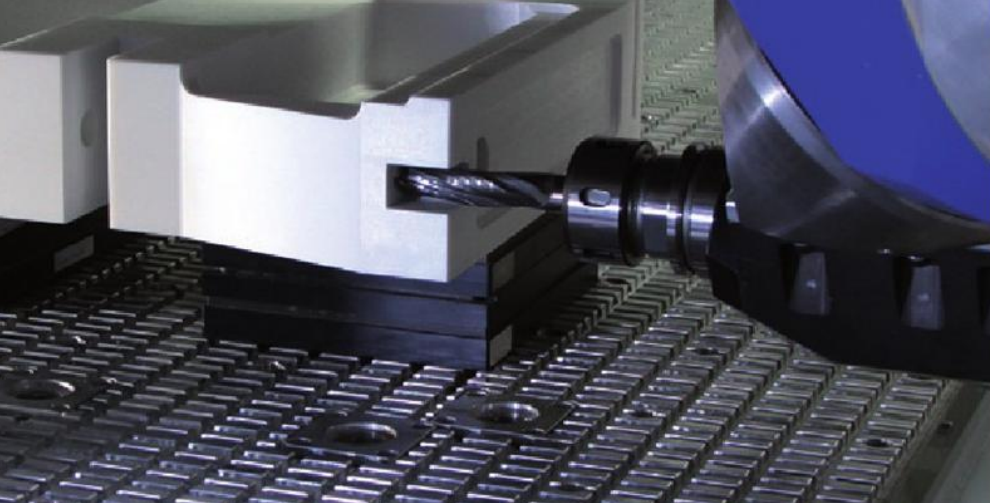

Thursday, September 13 2012
From 8:00am to 5:00pm

160 , Brunet
Mont. St. Hilaire, J3G 4S6
Canada

Tel.: 450-536-2525
Fax: 450-536-1095

The HOMAG GROUP, it's more than just wood.

Take advantage of our «Plexi-Mold» event to see all the possibilities offered by the numerical control machines - polishing and cutting of plastics, plexiglass, composite and other materials. Seminars are held by specialists and see demonstrations on the 5-axis BMG-511 machining center. You will see the HOMAG team expertise and the flexibility that our machines can offer you.
