

Panel or Solid Wood – We are your Partner!

Launch of partnership between HOMAG Canada and Kentwood

HOMAG Canada invites you to the launch of it's **association with Kentwood and Makor** on **June 6th, 2014** in our Montreal showroom.

Representatives from both companies will be on hand to discuss their wide product range for solid wood processing and wood finishing applications respectively. As always during our events all our machines in the showroom will be

available for live demonstrations. The **star attraction** will be a **fully automated 6-head moulder** showing fast change-overs and perfect finishing quality.
