

TechTour 2013

September 21st to 28th

Advanced manufacturing concepts.

Smart automation solutions.

Innovation.

Single piece flow.

Energy and resource efficiency.

Batch size 1 production.

Full software2machine integration.

Intelligent material handling.

Join us for this year's TechTour 2013 to Germany and get a chance to visit outstanding businesses in various branches of the woodworking industry such as office furniture, kitchen & bath and living room furniture.

See first-hand how the implementation of new technology combined with smart automation concepts does make a difference. Use the opportunity to talk directly to owners and operators and learn about their success.

The TechTour 2013 is offered all-inclusive for only CAD \$ 3,500*.
